Myloops Trance Insights (Licensing Agreement)

Please read the terms of the following software licence agreement before using this software.

The audio samples and demo project included in this product remain the property of Myloops and of Myloops' artists and are licensed, not sold, to you for use on your sequencer environment, sampling and hard disc-recording equipment. Myloops reserves any other rights not expressly granted to you.

All the melodies, sounds, and settings used in the demo project are copyrighted to the respective owners. All the MIDI data and sequences are strictly for educational purposes only, and not to be abused in any way.

All lending, redistributing, renting, copying, duplicating, trading or reselling of this product or its contents (also modified contents) is strictly prohibited. You may not upload this product, or any of the files included in it, to any file database or server or send it to a 3rd party. In effect, any such action is piracy, is therefore illegal, and will be prosecuted to the fullest extent of the law.

The right to use enclosed sources and sounds is granted to the original end-user of the product (Licensee) and is NOT transferable - this means you cannot sell this product second hand.
What you CAN and CANNOT do with the contents of this product:
1. You can use them to record any type of audio production for personal or commercial use, for example: making records, remixes, commercials, jingles, and commissioned pieces, soundtracks for film, theatre, musicals, computer games and multimedia. You may modify the sounds.
2. They can NOT be used as part of a sampling product or sold, directly or modified, as a soundware product.

Licensor will not be responsible if the contents of this product do not fit the particular purpose of the Licensee. The sounds provided are licensed "as is" without warranties of any kind. All rights reserved. Myloops cannot be held responsible for any direct or indirect or consequential loss arising from the use of this product in whatever form.
